

Bending the Cost Curve

- ◆ Support agile acquisition – reduce acquisition and contracting burden on technicians and warfighters
- ◆ Leverage billions of dollars of USAF spending to procure IT capabilities at the best price
- ◆ Reduce risks and Operational efforts in the areas of reliability, maintainability, interoperability, security, information assurance, and systems engineering
- ◆ Support governance by being a mechanism to control acquisitions and ensure adherence to standards and baselines
- ◆ **No contract fees** for customers

Small Business (SB) Benefits

- ◆ SB companion contract: NetOps & Infrastructure Solutions
- ◆ Non-set-asides require minimum 23% SB subcontracting
- ◆ Possible \$15B out of \$24B available to small businesses

USAF IT Mandatory Use

NETCENTS-2 contracts are the primary Air Force source for all IT solutions procurements, and is available for all other DoD customers as stated by AFMAN 17-1203.

Mandatory:

NetOps & Infrastructure Solutions Small Business
NetOps & Infrastructure Solutions Full & Open
Applications Services Full & Open

Ordering

Purpose

The NETCENTS-2 family of Indefinite Delivery/Indefinite Quantity (ID/IQ) contracts provides highly flexible contract vehicles delivering capabilities across the entire range of communication, networking and service support domains. These ID/IQ contract enables Air Force, DoD and other Federal Agencies to effectively and efficiently implement IT and Communication Solutions worldwide.

Benefits of Using NETCENTS-2

- ◆ Increases AF standardization for operational and life cycle savings
- ◆ Strengthens network security by common compliance with AF & DoD standards
- ◆ Incorporates technical policies, language and clauses so customers do not need to research for each task order
- ◆ Provides centralized Due Diligence checklist for all USAF Enterprise contracts or Blanket Purchase Agreements (BPAs)
- ◆ Provides sample and standardized task orders for repeatable tasks
- ◆ Leverages USAF buying power
- ◆ Meet or beat required delivery timeframes
- ◆ Promote Small Business/Support Goals
- ◆ **No contract fees**
- ◆ Library of information for customers at <https://www.netcents.af.mil>

NC-2 Application Services (AS)

Systems sustainment/development, migration, integration and netcentric data services, web services, training, COTS software integration, smart phone/mobile apps for IT programs/solutions.

- ◆ Full & Open Contract Ordering Period:
31 Mar 15—30 Mar 22
- ◆ Full & Open Order Execution Period:
31 Mar 15—30 Mar 27

NC-2 NETOPS & Infrastructure Solutions (NetOps)

Network management/defense to include Service-Oriented Architecture (SOA) infrastructure, enterprise level security/management and implementation/operations, and managed services/cloud computing.

- ◆ Small Business Contract Ordering Period:
2 Apr 15 — 1 Apr 22
- ◆ Small Business Order Execution Period:
2 Apr 15 — 1 Apr 25
- ◆ Full & Open Contract Ordering Period:
15 May 15 — 14 May 22
- ◆ Full & Open Order Execution Period:
15 May 15 — 14 May 25

- ◆ AFLCMC/HIKJI administers the NC-2 ID/IQ contracts centrally, but authorizes decentralized ordering using AFWAY (<https://www.afway.af.mil>) to conduct solicitations and issue orders directly with the prime contractors
- ◆ Allows local Contracting Officers to expedite order execution and life-cycle management of their respective order(s)

How We Help You

- ◆ Use of contracts saves you time and money (no fees)
- ◆ Warfighter first, Taxpayer always!
- ◆ Buying Standards/Configurations for specific hardware included
- ◆ PWS templates include common standards and compliance (such as Implementation Baseline, IA, IPv6, etc.)
- ◆ Utilizing one USAF e-commerce portal system for unclassified asset procurement and tracking – AFWAY
 - ◇ Website is <https://www.afway.af.mil>
- ◆ Use of ID/IQ contracts allows customers to write orders (FAR Part 16) instead of contracts (FAR Part 15) against prequalified vendors (saves contracting officer and acquisition timeline efforts)
- ◆ NETCENTS Staff of Program Managers, System Engineers and Contracting Officers are here to serve you, contact us!
